## ***The Undergraduate Year 1 in Business Management:***

Taught at [Bellerbys London](#), the Undergraduate Year 1 in Business and Management is a **one-year course equivalent to the first year of an undergraduate degree** that develops students English language and study skills as well as prepares them for the second year of a business-related degree at a choice of UK universities. It has been developed in close partnership with Aston University and accredited by the University. Aston University is home to a **triple accredited Business school** (AACBS, EQUIS, AMBA – 1 of only 22 in the UK). It has received the **prestigious Gold award for teaching excellence**, consistently delivering outstanding teaching, learning and outcomes for its students.

## ***Conditional university offer:***

Students receive a **unique conditional offer of progression** to study at Aston University. They will have the opportunity to progress to the second year of a degree at Aston University, subject to achieving the grade and IELTS/Academic English Studies required. They can choose to study BSc Business and Management including options in Economics, Accounting, Information Systems and Analytics, BSc Accounting for Management and BSc Marketing.

## ***And a wide choice of other universities:***

**You can apply to up to 5 other universities through UCAS.** The Undergraduate Year 1 is accepted by over 20 universities. Please visit <https://www.bellerbys.com/find-your-course/undergraduate-year-1> for a range of 2<sup>nd</sup>-year options.

## ***Complete London experience:***

This course gives students the excitement of studying in London, a world-leading financial and business capital, while feeling part of our safe and nurturing college. Benefits of studying London include the opportunity to partake in **Business Elite enrichment activities** such as visiting the Bank of England or attending workshops at London School of Economics. They will be living and studying away from central London in Greenwich, with 24-hour college security and support staff.

## ***Supporting your students' development:***

This course prepares students for the teaching and learning style of university through a mix of intensive lesson time and self-study. Bellerbys' trusted and supportive staff makes sure your students develop their academic and English language skills and personal tutors help them with their all-important university application.

## ***Professional qualifications that impress universities:***
