

## University of Otago Coursework Master's Scholarship

<b>Value</b>	NZ\$10,000 towards fees in the first instance
<b>Number offered</b>	Varies
<b>Closing date</b>	Funding is available for 2020 only

## Information

The University of Otago Coursework Master's Scholarship provides funding to support coursework-based Master's students studying at the University of Otago.

Applicants must be:

- obtaining their first Otago Coursework Master's qualification
- domestic students or international students
- undertaking a Coursework Master's degree (degree by papers only, or, if a research component is included, the research paper should have a point value of less than 90 points)\*

\* Coursework Master's Scholarships are not available for the papers year of a two-year research Master's degree.

Selection is based predominantly on academic merit and the advice, recommendation and ranking of the relevant Head of Department or nominee.

Further information on how to apply for this scholarship is available elsewhere on this website.
